

"Support a NY State License Plate for BSA 100"

For 100 years, the Boy Scouts of America has created a strong foundation of leadership, service, and community for millions of America's youth.

Scouting has brought families and communities together for 100 years to prepare America's youth to live, work, and play with character and integrity.

Scouting is as vital and relevant today as it was when our journey began.

In celebration of Scouting's 100th Anniversary, we respectfully ask the N.Y. State Legislature to advance the Senate Bill S2158 for the Governor's approval and signature.

Given N.Y. State's current economic challenges, this would be a great new revenue source for the 2010-2011 fiscal budget, there are more than 270,000 families enrolled in Scouting and more than 54,000 Scout volunteers in New York State. In addition, there are many more donors, supporters and friends that would consider the purchase of this "commemorative 100th Anniversary" license plate.

The Senate Bill S2158 currently residing with the Transportation committee, needs us to help sign the online petition and spread the word amongst your friends and networks.
